'Let the heavens rejoice, let the earth be glad. Let the fields be jubilant, and everything in them; let all trees of the forest sing for joy.' Psalm 96:11-12,

Check out these pictures from our Mother's Day Tea!

"Her Children rise up and call her Blessed "
 Proverbs 31:28

Ever wondered what all that stuff is that covers the Chalice at communion time that looks like a small tent? Well, many centuries ago the congregation only saw the back of the Priest and unlike today, we see what goes on at the Altar when preparing for the Eucharist. Did you know there is a special way that the Chalice is dressed? First, a cloth or **Corpral** is placed underneath the chalice (represents the cloth that wrapped around Jesus in the tomb). Next a **Purificator** is draped over the chalice and is used to wipe the Chalice after the wine has been sipped or taken. Then a **Paten** a round disc shape sits on top of the Purificator and holds the Priest's host which is used to serve the consecrated host to those taking communion. Then the **Pall** a solid linen covered square with a cross embroidered on it (represents the stone at the opening of the tomb) sits on top of the paten, after the wine is in the Chalice helps to keep dust etc. from falling into the wine. Then the **Veil** a large cloth the color of the church season covers everything and finally on top of that is the **Burse** a square of material the same color of the Veil either hinged or with a pocket contains an extra Purificator and Corpral.

Did you know?

 The scientific term for brain freeze, you know that feeling you get when you eat your ice-cream to fast it's called **sphenopalatine ganglioneuralgia**.

 The slang term "flick" to refer to a movie, as in "we caught a flick", came about as a result of early movie equipment—early projectors used arc lamps that were very bright but prone to noticeable and distracting flickering during operation.

The above facts from Bill Shane

 A row of corn always has an even number. Juicy Fruit and Wrigley's Spearmint gums are more than 100 years old!

 Bees have 5 eyes – 3 small ones on top of its head, and 2 large ones in front.

Facts <https://uselessfacts.net/>

 Salt is mentioned 41 times in the Bible, but pepper is never mentioned.

 Benaiah, when he "killed a lion in a pit on a snowy day" (2 Sam 23:20)(1 Chr 11:22), it is the only time that the Bible talks about it snowing.

Jokes

 Why was the clock sent to the principal's office?
It was tocking too much!

 How do teddy bears keep their den cool in summer?
They use bear conditioning!

 What did the air conditioning unit say to its owner?
I'm your biggest fan.

 What treat do dads like on hot summer days?
POPsicles.

Ideas to do with your Kids that help them keep in touch with God this summer!

This is a great time of the year to be outside enjoying all that God has made. Go for a walk in the woods, give young kids a bag and have them collect things that God has made. For older kids take have them take a picture of something that God created on their phone and then find a bible verse that would go with it. Want to get started; there is a verse on page 1. How about on a rainy day watch a movie together, there are a ton of Christian movies out there for all ages, even some Disney ones have powerful lessons check out <https://www.godtube.com/news/8-disney-movies-with-a-powerful-message.html>

What's your favorite summertime tune!

Gardening tip! So does this look really strange? a bunch of forks around a planter! Do you have annoying squirrels that are digging in your freshly planted planters? I do, and it drives me crazy. Well, I was looking on YouTube and came across this idea; placing plastic forks around the perimeter of your planter. You can use clear, black or white. The squirrels don't like the feel of the forks on their bellies! You know what? **IT WORKS.** The forks have been in place for two weeks or so now and no digging! One fork was tilted the next day but that was it (I guess the squirrel really didn't like the feel on its belly) **Awesome.** Yes, I know it looks ridiculous, but once the flowers grow and fill out you won't really see the forks. Give it a try.

Summer time tips: Summertime is here! We're ready for the BBQ'S, sun, swimming. Don't forget these tips: sun lotion of at least SPF 30, drink plenty of water it is so easy to get dehydrated do any exercises or gardening early in the morning before it gets too hot, eat light, protect your eyes by wearing sunglasses, go into the shade, and let's not forget our pets! Don't leave them in the car, have water for them, walk them at cooler times of the day, provide shade, on a boat they also need a life vest. Finally for both humans and pets pay attention to the signs of overheating!

Summer Bible verses & discussion - just because schools out, doesn't mean we should stop growing in faith. Here are some verses to discuss with your kids.

† *Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you. (Ephesians 4:32)* Remember now that school is out we spend a lot more time with our family (siblings) be nice!

† *It was you who set all the boundaries of the earth; you made both summer and winter. (Psalm 74:17)* Go for a nature walk or just sit in the back yard and enjoy all of Gods wonderful creation and how he looks over it all.

Birthdays coming up!
Sarriah = July 4th
Ebba -Lavica = June 24th

Miracles- events that explain, some in the Testament

are awesome we just can't there are Old for example

the Israelites crossing the Red Sea, Daniel and the Lion's Den. In the New Testament Jesus did many wonderful miracles. Can you name some of them? If you don't remember here they are! **Water into wine**=Jesus' first recorded miracle was done at a wedding feast in Cana (**John 2:1-11**) **Feeding the hungry**=Jesus and His disciples went around the countryside, teaching the people. A great crowd followed them (**John 6:2-13; Matthew 14:14-21**).

He saw all the people. He felt sorry for them. The crowd looked tired and hungry, especially the little children. So with only five loaves of bread and two small fish He blessed them and fed 5000 people!

Healing a blind man= (John 9; 1-7)

Then Jesus spit on the ground. He reached down and mixed the dirt and spit together, making clay. He spread the clay on the man's eyes. "Go to the pool of Siloam and wash your eyes," He told the man. The blind man obeyed Jesus. Immediately his eyes were opened.

Raising Lazarus from the dead = (John 11:1-44).

The brother of Mary & Martha was very ill. By the time Jesus got there Lazarus had died and was placed in a tomb. So, when Jesus got there He called, "Lazarus, come out!"

Healing a cut Ear=after they finished the Passover meal, they left and went to the Mount of Olives (Luke 22:39-51).

Judas came near to kiss Jesus. Jesus asked, "Judas, are you going to betray me with a kiss?" The disciples realized what was happening. They stood ready to defend Jesus. They asked, "Lord, shall we strike them with the sword?" Before Jesus answered, one of them drew a sword and cut off the right ear of the servant of the high priest. Immediately, Jesus reached out His hand and touched the servant's ear, healing him. This was the last miracle Jesus performed just before His death.
